

MYGIFTCERT.COM SIGN UP FORM CONTENT SUMMARY

Here is the information you should have on hand when you sign up for your Mygiftcert.com one-page website.

Your new website will be live in two weeks after you sign up! Remember, after your website is up and running, you can modify and add to the content any time through our members-only Support Portal.

Here is the Required Information

About You

- Your Name
- Email address
- Phone numbers
- Your business name and address
- Your website address (if you have one)
- Your logo (if you have one. If you don't have a logo and want one, Mygiftcert.com designers can help you get one!)

Gift Certificate Detail

- A brief description of the gift certificates you'll sell on the site
- Are your gift certificates a specific price or are the prices user-defined?
- Gift certificate delivery options

Name your website

- Your one-page website will have the address
<https://<business name>.mygiftcert.com>.
Tell us the business name you want.

Here is the Optional Content

Provide us with the information when you sign up and it will be included on your new website at launch. Here's the information required in each optional section:

About Us
